

The Holiday Inn Gaithersburg is conveniently located just 15 minutes from the Shady Grove Metro Station. Of the three major airports, Reagan National is the only one that is on the Metro system. You can take the Yellow or Blue Line of the Metro from National Airport to the Galleria/Chinatown station. From there, transfer to the Red Line going towards Shady Grove, at the end of the Red Line. Our complimentary shuttle is based upon availability between the hours of 7 am and 9 pm, so please call the hotel at 301-948-8900 once you arrive at Shady Grove for pick up. Go to the West side of the station - when you exit the train, go down the escalators and turn left, then go up the stairs and our white Holiday Inn van will meet you there! Visit <http://www.wmata.com/rail/maps/map.cfm> to view the Metro system map.

To visit most of the major monuments and museums, sign up for our shuttle at the Front Desk and then take the Red Line to the Metro Center station and then transfer to either the Blue or Orange Line going towards the Smithsonian stop – exit there. When you return to Shady Grove, call the hotel for pick up. If the shuttle is not available, there are always taxi cabs at the station.

If you choose to drive and park at the Metro, be aware you must purchase a SmartTrip card at the station and you will need this card in order to leave the parking lot or garage.
